Monday 11/21

We have only **ONE** more rehearsal before Pageant Week. This rehearsal you will be working with the Baby Angels and Walking Angels part of the time. Please do not be late!! **Arrive no later than 7:00 pm sharp!!** The Baby's and Walking will be working together from 6:30 pm to 7:00 pm and you will be joining them. Although you do not actually do the number with them, you do have a part in it and therefore I need you there. The Baby's will only be here until 7:15 pm, so you need to be prompt. You will then have a 45-minute break in which you can do homework we will then begin our rehearsal at 8:00 pm. We will be learning Fanfare, which is a difficult number so I need everyone here. Plan on staying until at least 9:30 pm.

The remaining schedule is as follows:

Monday 11/28 **7:00 pm - 9:30 pm** Note the time you are to be here. We will be down in the Mayflower Room still learning Fanfare. The lighting will be going up this night so we can't be in the Sanctuary.
